## Benton and Franklin Counties Submit Amended Reopening Plan

**June 19, 2020**

Benton and Franklin Counties submitted a joint amended reopening plan to Washington State Secretary of Health John Weisman on Friday, June 19, 2020.

Benton and Franklin County Commissioners, city managers, mayors, law enforcement and health district staff have been in communication to develop a modified reopening plan that will keep our residents safe as we work to get our counties on the track to reopening.

The Benton-Franklin Board of Health wants to remind the public to continue to follow all the precautions in Phase 1, including wearing face coverings in public, staying at least six feet away from other people, practicing excellent hand hygiene and staying home when they're sick. More information on COVID-19 can be found on Benton-Franklin Health District's website at [www.bfhd.wa.gov/covid-19](http://www.bfhd.wa.gov/covid-19).
