FOR IMMEDIATE RELEASE

## **BFHD Pop-Up Clinics and CBC-West Vaccination & COVID-19 Testing May Cancel Without Notice Due to Excessive Heat**

The excessive heat warning issued by the National Weather Service continues over the next several days. If heat becomes a safety concern for the community, site workers, and/or vaccine storage at BFHD vaccination pop-up clinics or the CBC-West testing/vaccination site, they may close without notice. If this occurs, BFHD will update their social media pages and website as soon as possible.

### **Other vaccination and testing options:**

- Many other vaccination options are available throughout the community, including on weekends. For more information on locations and vaccine types, visit [vaccinelocator.doh.wa.gov](http://vaccinelocator.doh.wa.gov).
- All community COVID-19 testing options can be found on the Health District website at [covid19.bfhd.wa.gov](http://covid19.bfhd.wa.gov).
